School's Out Kids Camp

School's Out Kids Camp is offered throughout the school year during various holidays. Maybe you have the day off too, this is a great opportunity to get some things on your to-do list done, while the kids come and spend a super fun day with us. We play games, set up fun circuits, build forts, have a special craft to do, and a short movie time after lunch. We provide snacks and juice and water throughout the day. Just bring your little one and their lunch, we'll take care of the rest.

Tumble & Play Summer

A "Themed" Camp, that focuses on the younger campers. We'll stay at Tumbleweeds (no field trips) working on gymnastics and crafts and playing lots of games, sports & fun, creative activities.

Multiple Week and Sibling Discounts are Available

We have tons of pictures of past campers on our Camp website:
